

Investing in our future

5 YEAR IMPROVEMENT PLAN

Darlington Avenue, Covil Avenue to be repaved Nov. 19-Dec. 19, 2014

The City of Wilmington will soon be repairing and **repaving Darlington Avenue and Covil Avenue** as part of the city's 5-Year Infrastructure Improvement Plan.

Darlington Avenue

- Darlington will remain open to traffic.
- Weather permitting, **one-lane closures expected to occur between Nov. 19-25, 2014** that will cause some delays.

Covil Avenue

- Weather permitting, work on Covil expected to begin immediately after Darlington is completed, between **Nov. 25-Dec. 19, 2014**.
- **Covil expected to be closed to through traffic Dec. 1-19, 2014.**

Property owners

- You may need to detour around the construction and access to driveways may be temporarily blocked.
- For your safety, the street will be blocked during construction and a short time afterward while the asphalt cools and hardens.

Every effort will be made to protect private property and crews will try to complete work as quickly as possible. The city appreciates your cooperation and patience while we invest in our future. Questions? Call the city's **Streets Division at 341-7879**.
